

FeedingManchester #3 – Workshop 4: Ongoing Engagement – what we as FeedingManchester want to work on and when using the next FM event in the summer as a marker

Group 1.

We collectively signing up to a Sustainable food definition.

Communicating what we already do & demonstrating the demand for that.

FeedingManchester representatives have dialogue with the Council.

We ask Manchester City Council to sign up to the Sustainable food definition.

Feedingmanchester #4

A sustainable food campaign – involving celebrities, schools, universities etc.

Challenge Manchester City Council to become the most sustainable city in terms of food procurement.

An agreement on partnership working with Sustainable Food practitioners is developed.

A Manchester Manifesto for Sustainable food is developed.

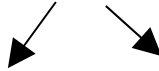

Use central government to influence progress.

Group 2.

FeedingManchester representatives have dialogue with the Council.

We collectively signing up to a Sustainable food definition.

We ask Manchester City Council to sign up to the Sustainable food definition.

We ask other groups to sign up to the Sustainable food definition.

Challenge Manchester City Council to become the most sustainable city in terms of food procurement.
